Office of the Deputy Chief of Staff, Plans and Programs
Department of the Air Force
Washington 25, D. C.

SUBJECT : Personnel Support of the Central Intelligence Agency

REFERENCE : Memo dtd 1 Apr 58 to DDCI fr DD(Plans) for C/S, USAF subj: same as above

1. The proposals outlined in the referenced memorandum have been carefully considered. There are a number of questions raised by the proposals which could have substantial impact on this Agency. In addition, there are other items which we would like to have considered before coming to any conclusion on the problem. It is therefore suggested that a meeting be arranged between the representatives of the two agencies to discuss and clarify some of the issues involved. I have asked Mr. E. R. Saunders, Comptroller, to arrange for the necessary representation of this Agency in such a meeting. Mr. Saunders may be reached on [redacted]

2. One of the alternatives which we would like to have considered is raised in your paragraph 5 in which it is pointed out that if the Air Force is reimbursed for the salaries of the individuals involved they may be employed in addition to the numbers otherwise authorized and appropriated for. At the present time we are reimbursing for activities [redacted] on the basis of flying hours for different types of aircraft. It is our understanding that these reimbursements cover the cost of maintenance and flight personnel assigned to assist in carrying out CIA activities. We would appreciate your consideration of the idea that the individuals actually outlined in the referenced memorandum for these three locations are now being reimbursed for by the Agency under our present procedures.

3. We will be pleased to have a meeting to review all of these problems promptly at the request of any representatives designated by you.
